UK Based Team

Our team of SEO and Google Ads specialists are all based at our head office here in the UK and have a wealth of Digital Marketing expertise to ensure they deliver outstanding results for our clients.

SEO & PPC That Delivers Results

At Total SEO, we specialise in two core areas: Search Engine Optimisation (SEO) and Pay-Per-Click (PPC) advertising.

- SEO: We optimise your website to rank higher in search engine results, driving organic traffic and increasing visibility. Our strategies are tailored to your business goals, ensuring long-term growth and sustainability.
- PPC: Our targeted PPC campaigns ensure your business appears at the top of search results for relevant keywords. We focus on maximising your return on investment (ROI) by delivering high-quality leads and conversions.

The Benefits of Working With Us

- ✓ Increased online visibility and brand awareness.

Stand out from your competitors and reach your target audience effectively.

- ✓ Higher website traffic and improved conversion rates.

Attract more visitors to your website and turn them into loyal customers.

- ✓ Data-driven strategies tailored to your business.

Our approach is based on real insights, ensuring strategies that align with your goals.

- ✓ Transparent reporting and measurable results.

Stay informed with clear, actionable reports and regular update meetings that show the impact of our work.

An Outstanding Reputation

Total SEO has shown us clear results in the past three months, improving keyword and Google search rankings. The team is highly professional, responsive, and an asset to our business.

Thank you all for your hard work and support!

Top SEO

We've been pleased with the work Total SEO & Marketing Ltd has done on our clinic and training institute's website since November 2024. Their team took the time to understand our brand and helped develop an effective SEO strategy that improved our online visibility.

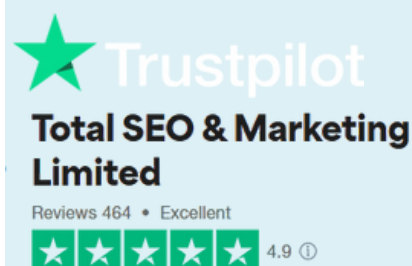

One of their standout qualities is their excellent communication — they are always approachable, responsive, and happy to answer any questions I have, no matter how technical or strategic. Their advice has consistently been clear, practical, and tailored to our needs.

Thanks to their support, we've seen improvements in our online visibility. Their professionalism and willingness to provide solid guidance have made the

Exceptional Service – Highly Recommend!

Great communication and response times. I saw an upturn in traffic in the first month but I also understand that SEO is an ongoing process that grows over time, so I was surprised. The team are customer-focused and explain their workflow every step of the way, which is important, especially as a lot of the work is behind the scenes with SEO. The website video report from Simon was excellent with great pointers. Megan, my account manager made me feel that my business success mattered with her updates and reports.
